These predetermined increases apply to the above referenced interim determinations and crafts for work being performed on public works projects with bid advertisement dates on or after **September 1, 2014**, until the determinations are superseded by new determinations or a predetermined increase modification notice becomes effective.

When referencing our prevailing wage determinations, please note that if the prevailing wage rate determination which was in effect on the bid advertisement date of a project has a single asterisk (*) after the expiration date, the rate will be good for the life of the project. However, if a prevailing wage rate determination has double asterisks (**) after the expiration date, the rate must be updated on the following date to reflect the predetermined rate change(s).

Effective July 6, 2015, the predetermined increase of \$2.00 is allocated as follows: \$0.90 to the Basic Hourly Rate and \$1.10 to Pension.

There will be no further increases applicable to this determination.

Issued 8/22/2014. Effective 9/1/2014 until superseded.

This page will be updated when the breakdown information becomes available.
