Regarding: Separate Bargaining Sectors and the Counties Covered

To Whom It May Concern:

The recent consolidation of Collective Bargaining Agreements within the Sheet Metal Workers' Local 162 jurisdiction has created some unintended ambiguity when specific bargaining sectors are called out within the contract. For instance in Addendum 1, Item 16 Parking; there is specific reference to Sacramento and Stockton Only. This reference to a particular area of Northern California represents the Bargaining Unit, not just the specific City and will cover more than one County.

The Counties covered by each Bargaining Unit within Sheet Metal Workers' Local 162 as called out in the Collective Bargaining Agreement are listed below;

Modesto – Merced, Stanislaus and Tuolumne Counties

If you should have any further questions please feel free to contact me.
