**STANDARD FORM OF UNION AGREEMENT  
SHEET METAL, ROOFING,  
VENTILATING AND AIR CONDITIONING  
CONTRACTING DIVISIONS OF THE CONSTRUCTION INDUSTRY**

Agreement entered into July 1, 2015 by and between Orange Empire SMACNA and SMACNA – Los Angeles (hereinafter referred to as SMACNA Employers) and each business establishment individually, whether represented by a contractor association or not, hereinafter referred to as the Employer, and Local Union 105 of the International Association of Sheet Metal, Air, Rail and Transportation Workers, hereinafter referred to as the Union for all work performed within the geographical jurisdiction of the Union.

**ARTICLE I**

SECTION 1. This Agreement covers the rates of pay and conditions of employment of all employees of the Employer engaged in but not limited to the: (a) manufacture, fabrication, assembling, handling, erection, installation, dismantling, conditioning, adjustment, alteration, repairing and servicing of all ferrous or nonferrous metal work and all other materials used in lieu thereof and of all HVAC systems, airveyor systems, exhaust systems, and air-handling systems regardless of material used including the setting of all equipment and all reinforcements in connection therewith; (b) all lagging over insulation and all duct lining; (c) testing and balancing of all air-handling equipment and duct work; (d) the preparation of all shop and field sketches whether manually drawn or computer assisted used in fabrication and erection, including those taken from original architectural and engineering drawings or sketches; (e) metal roofing; and (f) all other work included in the jurisdictional claims of the International Association of Sheet Metal, Air, Rail and Transportation Workers. Also refer to Addendum No. 50, Section 3, 3(a) and 3(b).

**ADDENDUM NO. 50  
CLARIFICATIONS OF THE STANDARD FORM**

SECTION 2. It is hereby agreed to clarify Article I, Section 1 of the Standard Form of Union Agreement to mean that "materials used in lieu thereof" shall also include, but not be limited to, plastic and fiberglass as well as any other substitute material.

SECTION 3. The Employer and the Union agree that Article I, Section 1 of the Standard Form of Union Agreement does not specifically list all work included in the jurisdictional claims of the International Association of Sheet Metal, Air, Rail and Transportation Workers and, such jurisdictional claims are included as if written in its entirety. Further, for clarification to signatory Employers and members of the Union on covered installation work, the Employer and the Union agree to add the following to Article 1, Section 1:

SECTION 3(a). Odor control systems regardless of material used, air washers and scrubbers, air dryers, roof curbs, dampers of all kinds, air duct sound traps, mixing boxes, attenuators, air blenders, variable air volume (vav) boxes of all types, environmental rooms, clean rooms, cold rooms, access doors related to air handling systems, louvers, breaching and stacks, all vents, exhaust systems of all types and hoods used for collection of any airborne substance or material.

SECTION 3(b). Sheet metal roofing, flashing, coping, fascia, soffits, gutters and downspouts, column covers, interior and exterior metal trim, skylights, metal ceilings, louvers, metal siding, expansion joints, metal roof decks, and all other architectural sheet metal work and ornamental sheet metal work (interior or exterior), and all work such as underlayment in conjunction with metal roofing systems not limited to plywood, insulation, ice shields and vapor barriers.

This Agreement is hereby accepted and approved by the undersigned. The parties agree to be bound by the terms and conditions of this Agreement where to the parties affix their signatures and seal this 17th day of June, 2015.
