10. **Parking Allowance:** Parking expense shall be reimbursed when free parking does not exist within three (3) blocks of the job site, providing the employee presents a parking receipt to the Contractor. The Contractor may designate the parking area.

ARTICLE 19

OUT OF TOWN EXPENSES

1. When members of Painters and Allied Trades District Council No. 36 are required because of job location to live away from their place of residence, they shall receive not less than the regular rate of pay, plus seventy dollars (\$70.00) per day, to cover expenses from date of leaving until the day of return, inclusive, to their home area. When subsistence is paid, an employee shall also be reimbursed once in any weekly pay period at the straight time hourly rate for the time required to make one round trip to his place of residence and back to the job location. Upon completion of their job and/or layoff a member is being paid for time spent in transit returning to their home area, they shall not be eligible to also collect subsistence for the day of return.
2. If a journeyman quits a job paying subsistence monies without just cause during a pay period, he shall not be entitled to any travel expenses for return to his home area.

3. If a journeyman in a subsistence area does not show up for work on Monday, or the day following a legal holiday after having worked the previous Friday, or the work day prior to a holiday he shall not be entitled to the subsistence allowance for Saturday and Sunday or for the day or days covered by the holiday. The only exception to this clause is if a journeyman be judged by a competent authority as sick or unfit to work.

Exception: On Federal, State, or industrial projects where room and board is provided by either the awarding authority or Employer, the employee may have the option of accepting the room and board facilities, or the subsistence allowance, but not both.

4. It is agreed that the interpreting body will review "out-of-town expenses" each year.
