HOLIDAYS

Article XIV- Holidays – Make Up Day On Saturday

Section 1. The following are the holidays recognized under this Agreement: New Year's Day, President's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the Friday following Thanksgiving Day, Christmas Day and all Saturdays and Sundays. All work performed on Saturdays, and/or before shift begins and/or after shift ends shall be paid for at the rate of one and one-half (1½) times the straight-time hourly wage rate, except when the bricklayers being tender are receiving double time, then, and in that event the mason tenders tending said bricklayers shall also receive double time. All work performed on Sundays and Holidays shall be paid for at the rate of double the straight-time hourly wage rate. If any of the above holidays fall on Sunday, the Monday following shall be considered a holiday. Martin Luther King Day will become recognized holiday when and if the five (5) basic Crafts adopt it as a Holiday.

Section 2. In the event a crew is unable to work on a regular weekday due to weather, the Employer shall have the option to request this crew to work on the Saturday immediately following at the straight time rate. It is understood and agreed that the straight time rate shall apply only to workmen who did not work forty (40) hours during the week and in the event any workman exceeds forty (40) hours due to the make-up day on Saturday, said workman shall be paid time and one-half (1½) for all time worked in excess of forty (40) hours in any one (1) week.
