**BRICK TENDERS' AGREEMENT
BETWEEN
THE MASONRY CONTRACTORS ASSOCIATION OF SAN DIEGO
AND IMPERIAL COUNTIES, INC. A MEMBER OF THE
CALIFORNIA CONFERENCE OF MASON CONTRACTORS ASSOCIATION, INC.
AND
THE SOUTHERN CALIFORNIA DISTRICT
COUNCIL OF LABORERS
AND ITS AFFILIATED LOCAL NO. 89, AFL-CIO**

This Agreement made and entered into this first day of May 2017, by and between the Masonry Contractors Association of San Diego and Imperial Counties, Inc., a Member of the California Conference of Mason Contractors Association, Inc., hereinafter referred to as the "MCA" and the Southern California District Council of Laborers and its affiliated Local No. 89 AFL-CIO, San Diego County, hereinafter referred to as the "UNION." Any Employer which adopts this Agreement shall also be referred to as the "Contractor."

D. The work jurisdiction covered by this Agreement shall include that work only which has been historically or traditionally or contractually assigned to members of the L.I.U.N.A. in the tending of Brick Masons, including unloading, mixing, handling, and transporting of all material used by the Brick Masons by any mode or method, including forklift and conveyer belt or transporting of all material used by the Brick Mason from the final point of delivery to the mechanic, whether done manually or by machinery (semiautomatic hoist, grout or mortar mixing or pumping machine) or equipment devised to replace the wheelbarrow or buggy; the unloading, erecting, dismantling, moving of scaffolds; the starting, stopping, fueling, oiling, cleaning, operating and maintenance of all mixers, mortar and grout pump, except for major repair, the handling of grout hoses while grouting, loaders for clean up, and other devices on job site under the directions of the Employer, or its Representative.

E. DUTIES OF A BRICK TENDER:

The handling of brick, mortar, or any other materials, to serve the Brick, Block and Stone or Adobe Mason in any capacity, is the work of the Mason Tenders; building, planking, and dismantling of scaffolds, regardless of height; mixing and tempering mortar, job site mixing of grout for reinforced walls, vibrating or grout in reinforced walls, and cleaning. When foundation work is done by a Masonry Contractor, the terms and provisions of this Agreement shall apply. Brick Tenders duties also include the operation of all vehicles and machinery connected with Brick Tender work including, but not limited to; forklift, crane, conveyor belt and/or conveying of all material used by the Brick Mason from the first point of delivery to the mechanic whether done manually or by machinery (semi-automatic or automatic hoist, or grout or mortar mixing or pumping machine) or equipment devised to replace the wheelbarrow or buggy, and the operation of any device used to transport or install all masonry materials, including, but not limited to, stone and/or prefabricated panels.
