TRAVEL AND SUBSISTENCE

TRAVEL PAY

SECTION 8.12. When workmen are directed to report to the job, such workmen shall be on the job ready to commence work at the regular starting time at no cost to the employer.

Workmen shifting from one job to another or from shop to job or job to shop during regular work hours shall be paid travel time and be furnished transportation or be paid mileage at the current IRS rate per mile.

SECTION 8.13. Whenever free parking or transportation is not available within 500 yards of the reporting location (shop or job site), the Employer shall reimburse employees for actual parking expenses, provided the employee presents a signed and dated receipt for each expenditure.
