TRAVEL AND SUBSISTENCE

ARTICLE XVI TRAVEL PAY, SUBSISTENCE AND PARKING

Section 1. Subsistence:

On jobs forty (40) miles or more from the Local Union No. 66 jurisdiction line, or the employee's home, to the job site, the allowance shall be seventy-five dollars (\$75.00) for each day worked, or reasonable room and board.

Section 2. Out-of-Town Lodging.

If it is impractical for an employee to return home at the end of the work day, the Individual Employer shall provide lodging for the employee.

Section 3. Transportation Expenses.

When employees are required to travel outside the area covered by this Agreement, they shall be reimbursed for all fares paid if they use a public carrier or for all miles traveled at the then-current IRS-approved mileage rate plus all tolls paid if they use a private vehicle.

Section 4. Parking/Bridge toll.

If free parking is not available or provided by the Individual Employer, employees shall receive full reimbursement for parking after turning in receipts from the most reasonable parking facility available within a three (3) block radius of the jobsite or full reimbursement for the BART fare to and from the jobsite. All bridge toll to be paid by employers whenever employees use same. Employees shall be provided with every paycheck stub a bridge toll/parking reimbursement form by the employer which shall be turned in weekly by the employee.
