TRAVEL AND SUBSISTENCE

57. Overnight Travel Expense

On all jobs requiring an employee to remain away from home overnight, except where adequate subsistence is furnished on the job, the Individual Employer shall furnish, at a minimum, board and lodging and pay forty dollars (\$40.00) per day, per employee, on a seven (7) day per week basis.

69. Travel from Parking Site to Jobsite

When employees are required to park offsite, they shall be provided transportation to and from the jobsite. Travel between the jobsite and the offsite parking area shall be on the Individual Employer's time one way and the employee's time one way. However, by mutual consent of the Union and the Individual Employer, the Individual Employer may have the option of paying each employee an additional one dollar (\$1.00) per hour for each hour worked by each such employee and such employees shall be required to ride to and from the jobsite and offsite parking area on their own time. At no time shall any employee be charged a fee to ride to or from the parking area or the jobsite.

74. Travel Expense Allowance

When an employee is required, for the purposes of testing or working in a fabrication shop, to travel at his own expense outside the area covered by this Agreement, the Individual Employer shall pay to said employee a travel expense allowance of \$50.00 per day.

75. Use of Employees' Personal Vehicles

No employee covered by this Agreement shall use his/her own personal vehicle at any time during the working hours established by the terms of this Agreement, except for the absolute protection of such vehicle. At no time shall an employee transport tools or materials for an Individual Employer in the employee's personal vehicle.
