SCOPE OF WORK

WORK JURISDICTION

ARTICLE 2

SECTION 1 -- The scope of work covered by this Agreement shall include (but not be limited to) all work operations, including distribution to the point of application, as follows:

- (a)** Work or services pertaining to the preparation, spotting, pointing, detailing, flushing, sanding and finishing of interior and/or exterior gypsum, drywall, thin wall, concrete, steel, wood and plaster surfaces, spackling of all surfaces where adhesive materials are used; and all drywall pointing, taping and finishing.
- (b)** Work or services pertaining to the application of all finish or flushing materials regardless of method of application or type of surface on which materials are applied, including but not limited to texture and simulated acoustic materials of all types and the application of radiant heat fill and steel fireproofing materials.
- (c)** Work or services pertaining to the installation of protective coverings and masking prior to the application of finish materials.
- (d)** The operation and care of all taping tools and texturing equipment used in the finishing and texturing of drywall and other surfaces including brushes, rollers, spray texturing equipment, miscellaneous hand, mechanical, and power tools, and the operation and maintenance of compressors required in the finishing and texturing of such surfaces.
- (e)** No limitation shall be placed on the work covered by this Agreement by reason of the surface, type of material or purpose for which the materials used are designed or intended.
- (f)** The clean up of all materials and debris occasioned by any job operation at the site of construction, alteration, or repair undertaken by the Employer signatory hereto, whether such operation occurs on the interior or exterior of a building structure.
- (g)** Nothing herein is intended to conflict with or violate any State or Federal Law.

SECTION 2 -- The forgoing is not all-inclusive, and may be enlarged or otherwise changed by action of the General Executive Board of the International Union of Painters and Allied Trades in a manner not inconsistent with the express provisions of the International Union Constitution.

[REDACTED]

SECTION 4 -- Steeplejack work shall be defined as all work above forty (40) feet in height (heights to be defined as any area where a free fall, or open space below, may exist).
