

How to Search for a Contractor

1 Click "Contractors"

2

Click the "Keyword Search" field. You can search by any identifier of the contractor: DBA name, Contractor first name, Contractor last name, Contractor mailing city, etc.

The screenshot shows the DIR website interface. At the top, there is a navigation bar with the DIR logo (EST. 1927) and the text "State of California Department of Industrial Relations". To the right of the logo are links for "Support", "Contractors", "Projects", "Services", "Your information", and a "Test User" button. Below the navigation bar is a yellow header with "Home > Contractors" and a search box labeled "Search".

On the left side, there is a "Contractor Filters" panel with two filter options: ".Name.Is.not.Empty" and ".Updated.This.Week".

The main content area is titled "Contractors" and contains a table with the following columns: "Updated", "Contractor dba name", "Contractor first name", "Contractor last name", "Contractor mailing city", and "Contractor mailing state". A red circle highlights the "Keyword Search" field in the table header.
