III. Committee Recruitment/Membership

- It was stated that they are looking for 7-12 members to participate and are looking for geographical diversity on the committee.
- Next meeting they plan to identify member.
- Discussed Consumer Affairs participation

IV. Discussions and suggestions from the apprenticeship community

Discussed Health Information Technician licensing issues.

Discussed struggles in getting teachers to teach these healthcare courses.

A suggestion was made that when looking at the diversity of the committee to make sure that all stakeholders that are required to make the program a success need to be represented.

It was stated that with healthcare apprenticeships we want to create opportunities for a livable wages and growth potential.

V. Other Items of Interest

It was stated to the apprenticeship community that if you were interested in serving on this committee there was a signup sheet available or if you had a suggestion of someone that would be a great fit. Please send the information to DAS Chief Eric Rood.
