Deputy Chief Adele Burnes will be giving an update on the ERICA grants at the CAC meeting scheduled for tomorrow.

Meg Vasey gave a short update on the Women in Construction Advisory Committee. She stated that they have been meeting. That is part of the grant funding that makes up the ERICA Grants. We have been working with the DIR on a strategic plan for the implementation of the women construction advisory priority unit and the work of that advisory council. Documents will be published shortly.
