**IMPORTANT NOTICE TO AWARDING BODIES AND ALL INTERESTED PARTIES  
REGARDING A CORRECTION TO  
THE DIRECTOR'S GENERAL PREVAILING WAGE DETERMINATIONS**

Dear Public Official/Other Interested Parties:

**CRAFT/CLASSIFICATION:** Pile Driver (Operating Engineer – Building Construction),  
Steel Erector and Fabricator (Operating Engineer – Building Construction)

**LOCALITIES:** All localities within Alameda, Contra Costa, Marin, San Francisco, San Mateo, Santa Clara and Solano Counties.

**DETERMINATIONS:** NC-23-61-1-2020-2B1 and NC-23-61-1-2020-2D1 (2021-1 Index only)

The Counties of Alameda, Contra Costa, Marin, San Francisco, San Mateo, Santa Clara and Solano were inadvertently included in the Determinations for Pile Driver (Operating Engineer – Building Construction) and Steel Erector and Fabricator (Operating Engineer – Building Construction) under the 2021-1 General Prevailing Wage Determination Index. The Pile Driver (Operating Engineer – Building Construction) and Steel Erector and Fabricator (Operating Engineer – Building Construction) determinations do not apply to work in Alameda, Contra Costa, Marin, San Francisco, San Mateo, Santa Clara and Solano Counties.

For the above mentioned counties, please refer to the Pile Driver (Operating Engineer – Heavy and Highway Work) and Steel Erector and Fabricator (Operating Engineer – Heavy and Highway Work) Determinations.

With the exception of the above correction, all of the wage rates and other conditions found in the above referenced prevailing wage determination remain unchanged.
