Recipients: Advisory Committee Invitees

Subject: Proposed Revisions for Title 8, Article 7, section 3324 (Horizontal Sliding Gates) and to consider adopting a new regulation concerning swinging gates.

You are invited to participate in an advisory committee meeting to be convened by the Occupational Safety and Health Standards Board (Board) staff. The Board GRANTED Petition 605 to convene an advisory committee to review section 3324 for horizontal sliding gates and consider a new section to address any unmitigated occupational hazards presented by swinging gates. At this advisory committee meeting, stakeholders and the public have an opportunity to discuss section 3324 as well as industry best practices, codes implemented by other regulatory agencies and related consensus standards (e.g. ASTM F1184-23<sup>e1</sup>, ASTM F2200-20, ASTM F900-11 and UL 325) as they relate to horizontal sliding gates and swinging gates. A discussion draft has been prepared to assist with these discussions. The advisory committee will be held:

Date and Time:        March 12, 2025  
                              9:00 AM to 4:00 PM

Topic:                    Section 3324 (Horizontal Sliding Gates) and consider a new section for swinging gates.

Venue:                   1515 Clay Street, Room 1304, Oakland, California 94612

Please review the attached agenda, roster, and discussion draft. These documents are also posted on the Board's website: [Standards Board Advisory Committee Meetings](#)

If you belong to an organization with more than two representatives attending, please designate only two spokespersons (a representative and an alternate). Please RSVP by Friday, March 7, 2025.

Written comments submitted by Friday, March 7, 2025, will be read at the meeting for the committee's consideration.

Members of the public are welcome to attend and observe the proceedings; however, the Committee Chair may choose to limit discussion to committee members at their discretion.

The Board values and appreciates your assistance in this rulemaking process. If you have any questions or comments, please contact Kevin J. Goddard, Committee Chair, at (916) 621-1418 or by email at [kgoddard@dir.ca.gov](mailto:kgoddard@dir.ca.gov).

Sincerely,

Kevin J. Goddard  
Senior Safety Engineer
