*Defendants***

**Adjudication Number: ADJ6780758  
Oakland District Office**

**OPINION AND ORDER  
DISMISSING PETITION FOR  
RECONSIDERATION**

Applicant, in pro per, filed a Petition for Reconsideration on February 12, 2025. We have reviewed the Petition for Reconsideration, defendant's answer, and the WCJ's Report and Recommendation on Petition for Reconsideration. Based on our review of the record, we will dismiss the Petition for Reconsideration as untimely.

**I.**

Former Labor Code<sup>1</sup> section 5909 provided that a petition for reconsideration was deemed denied unless the Appeals Board acted on the petition within 60 days from the date of filing. (Lab. Code, § 5909.) Effective July 2, 2024, Labor Code section 5909 was amended to state in relevant part that:

(a) A petition for reconsideration is deemed to have been denied by the appeals board unless it is acted upon within 60 days from the date a trial judge transmits a case to the appeals board.

(b)

(1) When a trial judge transmits a case to the appeals board, the trial judge shall provide notice to the parties of the case and the appeals board.

(2) For purposes of paragraph (1), service of the accompanying report, pursuant to subdivision (b) of Section 5900, shall constitute providing notice.

---

<sup>1</sup> All further statutory references are to the Labor Code, unless otherwise noted.

Under section 5909(a), the Appeals Board must act on a petition for reconsideration within 60 days of transmission of the case to the Appeals Board. Transmission is reflected in Events in the Electronic Adjudication Management System (EAMS). Specifically, in Case Events, under Event Description is the phrase “Sent to Recon” and under Additional Information is the phrase “The case is sent to the Recon board.”

Here, according to Events, the case was transmitted to the Appeals Board on February 13, 2025, and 60 days from the date of transmission is April 14, 2025. This decision is issued by or on April 14, 2025, so that we have timely acted on the petition as required by section 5909(a).

Section 5909(b)(1) requires that the parties and the Appeals Board be provided with notice of transmission of the case. Transmission of the case to the Appeals Board in EAMS provides notice to the Appeals Board. Thus, the requirement in subdivision (1) ensures that the parties are notified of the accurate date for the commencement of the 60-day period for the Appeals Board to act on a petition. Section 5909(b)(2) provides that service of the Report and Recommendation shall be notice of transmission.

Here, according to the proof of service for the Report and Recommendation by the workers’ compensation administrative law judge, the Report was served on February 13, 2025, and the case was transmitted to the Appeals Board on February 13, 2025. Service of the Report and transmission of the case to the Appeals Board occurred on the same day. Thus, we conclude that the parties were provided with the notice of transmission required by section 5909(b)(1) because service of the Report in compliance with section 5909(b)(2) provided them with actual notice as to the commencement of the 60-day period on February 13, 2025.

## II.

There are 20 days allowed within which to file a petition for reconsideration from a “final” decision. (Lab. Code, §§ 5900(a), 5903.) This time is extended by 5 calendar days if service is made to an address within California. (Cal. Code Regs., tit. 8, § 10605(a)(1).) This time limit is extended to the next business day if the last day for filing falls on a weekend or holiday. (Cal. Code Regs., tit. 8, § 10600.)

This time limit is jurisdictional and, therefore, the Appeals Board has no authority to consider or act upon an untimely petition for reconsideration. (*Maranian v. Workers’ Comp. Appeals Bd.* (2000) 81 Cal.App.4th 1068, 1076 [65 Cal.Comp.Cases 650]; *Rymer v. Hagler* (1989)

211 Cal.App.3d 1171, 1182; *Scott v. Workers' Comp. Appeals Bd.* (1981) 122 Cal.App.3d 979, 984 [46 Cal.Comp.Cases 1008]; *U.S. Pipe & Foundry Co. v. Industrial Acc. Com. (Hinojoza)* (1962) 201 Cal.App.2d 545, 549 [27 Cal.Comp.Cases 73].) 2 In this case, the WCJ issued the Findings of Fact, and Award on January 16, 2025 and all of the parties served were located in California. Based on the authority cited above, petitioner had until Monday, February 10, 2025 to seek reconsideration on a timely basis. Therefore, the Petition for Reconsideration filed on February 12, 2024 is untimely and will be dismissed.

If the petition had been timely, we would have denied it on the merits for the reasons stated in the WCJ's report.

For the foregoing reasons,

**IT IS ORDERED** that the Petition for Reconsideration is **DISMISSED**.
